

2024 Guideline Changes

Page 7-B- Deleted CERF and created a stand-alone document.

Page 7-C- Thresholds-Insert language for KRS 91A.040 concerning non-compliance. This will be inserted through page 8 as well.

Page 10-Split of funds based on the 2023 allocation, with no changes from 2023.

Public Facilities	8,834,662
Economic Development	5,005,449
Housing	3,353,572
Community Projects	5,803,703
Public Services (Recovery Kentucky)	2,600,000

Page 11 Housing-Added * Applicants from a HUD-MID or State-MID County applying for a Housing project to assist those households affected by either disaster 4595-DR-KY, 4630-DR-KY, and/or 4663-DR-KY may apply for up to \$2,000,000 per application. All applicants must receive prior approval from DLG to proceed with any housing application to assist households affected by the disasters. All threshold requirements are still applicable.

Section IV CERF deleted Pages 19-22 and moved to stand-alone document.

For all Sections where it pertains to water/sewer added the requirement for letters from the owner of system that is supplying or treating water/sewer stating they have capacity and will accept the flow.

Page 41- Add the language to housing allowing for additional funds request if funds are available.
