A. Grant Assistance Provided

In consideration of the various obligations undertaken by the Recipient pursuant to this Agreement, as represented by the Recipient in the Application, the Commonwealth agrees, subject to the terms and conditions set forth herein, to provide the Recipient with grant funds in the amount specified in Exhibit A of this Agreement.

B. Authorized Uses of Grant Funds

The grant funds provided to the Recipient pursuant to this Agreement shall be used only for the specific purposes described in Exhibit B of this Agreement and in the amounts budgeted in Exhibit C of this Agreement, subject to the project amendments provisions of the Commonwealth CDBG program.

C. Adjustments to Grant Funds

(1) The amount of grant funds which the Commonwealth has agreed to provide to the Recipient under this Agreement has been determined by the Commonwealth in reliance upon the cost estimates of the Recipient with respect to the activities set forth in the Application. The Commonwealth reserves the right to reduce the grant amount (i) to conform to any revision to which the Recipient and the Commonwealth may agree with respect to Exhibits B or C of this Agreement, (ii) if the actual costs for activities are lower than those set forth in Exhibits B or C of this Agreement, or (iii) if the investment by Participating Parties is less than the amount specified in Exhibits B, C or D.

	Document Phase	Document Description	Page 6

(2) The parties understand that funding pursuant to this Agreement may be discontinued by the General Assembly in subsequent budgets.

D. Recipient's Use of Program Income

(1) All Program Income shall be returned by the Recipient to the Department for Local Government.

(2) All Program Income which is received by the Recipient, prior to completion of all Recipient Activities shall be used prior to, and in place of, any draw of grant funds to the extent adequate to pay costs so incurred.

(3) Unless otherwise specifically stated in Exhibit B of this Agreement, all Program Income received by the Recipient, after completion of all Recipient Activities shall be returned to the Department for Local Government.

3. DISBURSEMENT OF GRANT FUNDS

A. Authorization

(1) Promptly after the Commonwealth has received from the Recipient two (2) fully executed copies of this Agreement and has approved evidentiary materials required by Exhibit D of this Agreement that would allow a draw of grant funds pursuant to the terms of Exhibits B and C of this Agreement, the Commonwealth shall authorize the amount of grant funds specified in Exhibit A of this Agreement.

(2) The Recipient is authorized to draw grant funds only in accordance with the provisions of this Agreement and the procedures established by the Commonwealth. No payment by the Commonwealth of an improper or unauthorized draw to the Recipient shall constitute a waiver of the right of the Commonwealth to challenge the validity of said draw, to enforce all rights and remedies set forth in the Agreement, or take corrective or remedial administrative action, which action may include, without limitation, suspension or termination of the Recipient's funding under this Agreement.

(3) The disposition of any grant funds that remain available following completion of the Project, termination of this Agreement by the Commonwealth, or termination of the Project for any cause, shall be in accordance with closeout procedures then in effect or established by the Commonwealth including provisions of OMB Omni Circular and the Recipient shall not have any rights to such grant funds.

B. Incurring Costs for Project Activities

(1) The use of grant funds is conditioned upon the Recipient incurring costs to be paid in accordance with this Agreement or as otherwise approved by the Commonwealth in writing. Except as permitted by 24 CFR Part 58, no costs to be paid out of project funds may be incurred by the Recipient until all Environmental Conditions of 24 CFR Part 58 have been fully satisfied and the Commonwealth has issued the environmental clearance required by 24 CFR Part 58.

(2) The authorization to incur costs in subsection (1) above is not an authorization to reimburse those costs and does not mean or imply that such costs will be reimbursed out of grant funds. The Recipient may voluntarily, at his or her own risk, and upon his or her own credit and expense, incur costs as authorized in subsection (1) above, but his or her authority to reimburse or to be

	Document Phase	Document Description	Page 7
2400005010	Final	Durbin Estates Housing 21D-010	Total Pages: 18

reimbursed out of grant funds shall be governed by the provisions of this Agreement applicable to the payment of costs and the release of funds by the Commonwealth.

(3) Prior to the issuance by the Commonwealth of the environmental releases required by 24 CFR Part 58, the Recipient may not use any funds, including local funds, to take any action with respect to the Project where such action might have an adverse environmental effect, would limit choices among competing alternatives, or might alter the environmental premises on which the pending clearance is based in such a fashion that the validity of the conclusions to be reached would be affected.

C. Authorization by the Commonwealth for the Recipient to Draw Grant Funds

Recipient's draw of grant funds can occur only after the following has occurred:

- (1) The Commonwealth has issued the environmental clearance required by 24 CFR Part 58,
- (2) The Commonwealth has approved the required evidentiary materials specified in Exhibit D of the Agreement,
- (3) The Commonwealth has authorized, per the executed Notice of Approval of Evidentiary Materials and Release of Funds, the Recipient's ability to draw grant funds,
- (4) Recipient shall have submitted all certifications and materials required as conditions precedent to Recipient's authority to pay costs out of grant funds,
- (5) If authorized by Exhibit D herein and if the Commonwealth finds Recipient has timely and acceptably submitted the evidentiary materials in Exhibit D herein, approved same, and if no default has occurred, as defined in Section 6-A herein, and
- (6) Recipient has not been served by the Commonwealth with notice of Recipient's suspension of authority to so draw the grant funds nor is in breach of its obligation to report a default.

4. REPRESENTATIONS, WARRANTIES, AND OBLIGATIONS

A. Recipient's Representations and Warranties

The Recipient has, by and through consultations among all appropriate members of the Recipient's governing body and its officers, examined each of the following and by its execution of this Agreement the Recipient does, upon information and belief, represent and warrant to the Commonwealth that:

(4) The representations, statements, and other matters contained in the Application were true and complete in all material respects as of the date of filing. The Recipient is aware of no event which would require any amendment to the Application (other than an amendment which has been filed with and approved by the Commonwealth) which would make such representations, statements, and other matters true and complete in all material respects and not misleading in any material respect. The Recipient is aware of no event or other fact, which should have been, and has not been, reported in the Application as material information.

(5) The Recipient has obtained or has reasonable assurances that it will obtain all Federal, State and local government approvals and reviews required by law to be obtained by the Recipient for the Project.

(6) Insofar as the capacity of the Recipient to carry out any obligation under this Agreement is concerned, (i) the Recipient is not in material violation of its Charter, or any mortgage, indenture, agreement, instrument, judgment, decree, order, statute, rule or regulation and (ii) the execution and performance of this Agreement will not result in any such violation.

(7) Except for approved eligible administrative and personnel costs, none of the recipient's designees, agents, members, officers, employees, consultants or members of its governing body in which the program is situated, and no other public official of the recipients of such locality or localities who exercises or who has exercised any functions or responsibilities with respect to the project during his or her tenure, or who is in a position to participate in a decision-making process or gain inside information with regard to the project, has or shall have any interest, direct or indirect, in any contract or subcontract or the proceeds thereof for work performed in connection with the project or in any activity, or benefit there from, which is part of this project at anytime during or after such person's tenure unless all procedures for an exception have been documented and submitted in writing to the Department for Local Government and the Department for Local Government has approved such exception.

The Commonwealth defines a program amendment as a request for change in an approved program which (i) is a new activity in the program, (ii) significantly alters the scope, location, or objective of the approved activities or beneficiaries, and/or (iii) results in a change or cumulative changes of the approved budget. Any amendments will be made in accordance with the procedures set forth in the Kentucky Community Development Block Grant Handbook established by the Commonwealth.
