

BUILD AMERICA BUY AMERICA PROJECT VERIFICATION FORM

PROJECT NAME	
PROJECT COUNTY	
ESTIMATED PROJECT COST	

PROJECT DESCRIPTION

The Build America, Buy America Act (BABA), enacted as part of the Infrastructure Investment and Jobs Act on November 15, 2021, established a domestic content procurement preference for all Federal financial assistance obligated for public infrastructure projects after May 14, 2022. The domestic content procurement preference requires that all iron, steel, manufactured products, and construction materials used in covered public infrastructure projects are produced in the United States; therefore, it must be determined on an individual basis if a given project meets the definition of “public infrastructure”.

Public Infrastructure projects should include, at a minimum, the structures, facilities, and equipment for, in the United States, roads, highways, and bridges; public transportation; dams, ports, harbors, and other maritime facilities; intercity passenger and freight railroads; freight and intermodal facilities; airports; water systems, including drinking water and wastewater systems; electrical transmission facilities and systems; utilities; broadband infrastructure; and buildings and real property; and structures, facilities, and equipment that generate, transport, and distribute energy including electric vehicle (EV) charging.

The agency should interpret the term “infrastructure” broadly and consider the description provided in paragraph (c) of this section as illustrative and not exhaustive. When determining if a particular project of a type not listed in the description in paragraph (c) constitutes “infrastructure,” the Federal awarding agency should consider whether the project will serve a public function, including whether the project is publicly owned and operated, privately operated on behalf of the public, or is a place of public accommodation, as opposed to a project that is privately owned and not open to the public.

The scope of the above referenced project has been reviewed and it has been determined that the project is:

- APPLICABLE** *To the Provisions of the Build America Buy America Act (BABA)*
- NOT APPLICABLE** *To the Provisions of the Build America Buy America Act (BABA)*
