All Single- and/or Multi-County LGEDF grantees must return total receipts and disbursements from their project proceeds account. In cases where, at any time during the year, a county reaches a cumulative balance of proceeds and interest income in excess of \$100,000, all funds must be returned to the Department for Local Government (DLG) within ten (10) days of reaching that amount. In the event there is a sale of property and/or facility, the recaptured funds from that sale must be returned to DLG within thirty (30) days after closing. In cases where property and/or facilities are leased, the agreement between the "grantee" and their respective "lessee" shall reflect language assuring the lease payments are paid directly to DLG. DLG will redeposit all project proceeds returned into the respective single- or multi-county account and those funds will become available for eligible activities within the LGEDF program. If due, a check, made payable to the Kentucky State Treasurer, must be sent to DLG.
